What is not covered
· The actual cost of replacement parts and any customs duty. You must pay us this using a credit card or debit card or any other payment method we agree is suitable.
· Any amount for getting parts, if the replacement parts can be bought locally.
· Anything mentioned in the general exclusions. (Please see section F.)
E4 - Not being able to use your vehicle

- Option 2: The cost of hiring another car while your vehicle is being repaired. We will pay up to £70 a day and £750 in total, as long as you are able to meet the conditions of the hire-car company. or

What is not covered
- Anything mentioned in the general exclusions. (Please see section F.)

E6 - If you can't use your own vehicle to get home

What is covered
If after a breakdown your vehicle is still not repaired or safe to drive when it is time for you to go home, we will pay for reasonable transport to get you, your passengers and your luggage to your home, and up to £150 towards other travel costs in the UK while you wait for your own vehicle. We will also pay storage charges (up to £100) while your vehicle is waiting to be repaired, collected or taken to the UK. We will then choose the most appropriate solution from the following options.

- Take your vehicle to your home or your chosen repairer in the UK.
- Pay the cost of one rail or sea ticket (or an air ticket if the rail or sea trip would take more than 12 hours) for you to go to get your vehicle once it has been repaired.

What is not covered
- Any costs you would have paid anyway for travelling home.
- The costs of returning your vehicle to the UK if we believe that the cost of doing so would be greater than the market value of your vehicle in the UK, after the breakdown.
- The costs of returning your vehicle to the UK if repairs can be done locally and you are not willing to allow this to happen.
- Anything mentioned in the general exclusions. (Please see section F.)

General notes relating to France
If you break down on a French motorway or major road, generally we cannot help you and you will often need to get help using the SOS phones. The local services will tow you to a place of safety and you will have to pay for the service as soon as possible. You can then contact us if you need more help. We will pay up to £100 towards the costs, but we will only refund claims when we have received a valid invoice or
receipt. We will pay you in line with the exchange rate on the date of the claim.
If you have broken down in a European country during a public holiday, many services will be closed. In
these circumstances you must allow us time to help you and repair your vehicle. We will not be held
legally responsible for any delays in you reaching your destination.

General notes
Uninsured services
We can provide help for faults that are not covered under this insurance policy or where you have made
the maximum number of insured claims, or would like us to help more than six passengers as shown in this
policy. All costs must be paid for as soon as possible by credit or debit card.

Section F – General exclusions that apply to all parts of this policy

15. The costs of getting a spare wheel or tyre for a roadside repair if the vehicle does not have one. We

    breakdown within the same working day. If recovery takes place we will only recover to one address
    in respect of any one breakdown.

    motorcycles, is used for despatch, road-racing, rallying, pace-making, speed testing or any other
    competitive event;

    motoring organisation.

passengers according to the manufacturers’ specifications, if there is more weight in the vehicle than it was designed to carry or you are driving on unsuitable ground.

20. Any request for service where you have not taken remedial action within two working days after a previous breakdown or temporary repair.

21. Recovery or help if the vehicle is heavier than 3,500 kilograms, longer than 7 metres, higher than 3 metres or wider than 2.5 metres.

22. Recovery or help if you are hiring the vehicle out to carry people in return for money, unless we have agreed this with you.

23. Vehicles that have faults with electric windows, sunroofs, wipers, heaters, de-misters or locks not working, unless the fault happens during the course of a journey and this affects your safety.

24. Any claim that comes from:
   - any person driving the vehicle, if you know they do not have a valid licence to drive in the UK; or
   - any person driving the vehicle, if they are not authorised by you to drive the vehicle or are not keeping to the conditions of their driving licence.

25. Any claim that comes from a poor-quality repair or a repair that has been attempted without our permission during the same trip.

   - the radioactive, toxic, explosive or other dangerous properties of any nuclear machinery or any part of it.

30. Loss or damage caused by war, revolution or any similar event.

Section 6 - General conditions applying to all parts of this policy

1. The vehicle must be permanently registered in the UK and, if appropriate, have a current MOT certificate and valid road fund licence. It must be less than 16 years old since first registration.

2. We can ask for proof of outbound and inbound travel dates.

3. If we arrange for temporary roadside repairs to be carried out after damage to the vehicle, we take the vehicle to the place you have chosen, we will not be legally responsible for any more help in the same incident.

4. We have the right to refuse to provide a service if you or your passengers are being obstructive in allowing us to provide the most appropriate help or if you or they are abusive to our rescue controllers or our recovery operators.

5. We will not pay you any benefit unless you contact us using the emergency phone numbers provided. You must not try to contact any agent or repairer direct.

6. You are responsible for keeping the vehicle and its contents safe, unless you are not able to or you have an arrangement with us or our agent. You must be with the vehicle at the time we say we expect to be there.

7. You will have to pay the cost of moving the vehicle or a repair vehicle coming out to you if, after asking for help which you are entitled to, the vehicle is moved or repaired in any other way, or you have provided location details which are incorrect. The payment must be by credit or debit card.

8. We are not responsible for any actions or costs of garages, recovery firms or emergency services carrying out work or acting on your instructions or the instructions of any person acting on your behalf. You are responsible for ensuring the quality of any repair.
9. If we pay a claim under any cover provided by this insurance, we will be entitled to ask for all reasonable help from you to take action in your name to get back our costs from another organisation.

10. The vehicle must carry a serviceable spare tyre and wheel for the vehicle and any caravan or trailer attached including the means to release the tyre from your vehicle. We will not cover any services including recovery to a garage or any costs incurred as a result of you failing to do so. This condition does not apply if the vehicle is not designed to carry a spare wheel.

11. We have the right to choose a suitable garage that can carry out a repair, which you must pay for, as long as the garage can carry out the repairs within the time limits we have given. You must make the payment by credit or debit card.

12. If you agree to a temporary roadside repair, you will be responsible for any costs or any damage to the vehicle it suffers if you continue to drive the vehicle as if a permanent repair had been carried out. You acknowledge that a temporary roadside repair is aimed only to allow you to drive the vehicle to a suitable facility so a permanent repair can be carried out.

13. If the vehicle needs to be taken to a garage after a breakdown, the vehicle must be in a position that makes it reasonable for a recovery vehicle to pick it up. If this is not the case, you will have to pay any specialist recovery fees by credit or debit card.

14. You will have to pay, by credit or debit card, for any parts or other products used to repair the vehicle.

15. We will not arrange for help if we think that it would be dangerous or illegal to repair or move the vehicle.

16. During any 12-month period we will not be responsible for more than two claims which arise from a common fault on the same vehicle. We will not be responsible for more than six claims in total (this is including one call out for eligible misthreelling). If you need our help for more than the number of claims allowed on your policy in a 12-month period of cover or more than twice the same fault on the same vehicle, you will have to pay for the services we provide. We will ask for a credit-card number or debit-card number before we help you.

17. If you are covered for breakdown by any other insurance policy or warranty, you must tell us.

18. If you are not willing to accept our decision or our agents' decision on the most suitable type of help, we will not pay more than £100 for any one breakdown and you will be responsible for any other costs due in recovering and repairing your vehicle.

19. We cannot guarantee that hire cars will always be available and we are not responsible if they are not available. We will do our best to arrange a vehicle of the same size as yours, but we cannot guarantee that there will be tow bars, bike racks, roof boxes, or other accessories included. You must meet the conditions of a hire-car company to hire a vehicle.

20. This insurance contract is between you and us. Any person or company who is not involved in this insurance policy has no right under the Contracts (Right of Third Parties) Act 1999 to enforce any condition of this insurance policy. This does not affect any other rights another organisation has apart from under that act.

21. We will not provide cover, pay any claim or provide any benefit if doing so would expose us to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.
